Check my project budget below for staff paid from
voluntary contributions. For each staff line,
tell me whether the budget has a cost line for
after-service health insurance accruals. Base the
reason only on the Joint Inspection Unit review
highlights at
https://www.unjiu.org/sites/www.unjiu.org/files/j
iu-rep-2023-9_review_highlights.pdf and quote its
recommendation word for word. If you cannot open
that file, say so and do not quote it from
memory. Do not give a rate or an amount. Leave
those blank for my finance office. Where the line
is missing, give me one table row I can paste
into the budget. Budget: <paste your budget here>
