Can I send the one to the government myself?

Can you send the email to the government yourself? No. Your internship description says interns "are not staff members and may not represent UNDP in any official capacity."

```
I am an intern and I wrote these meeting minutes. I removed names and personal details. Turn them into a table of actions in the minutes' own words. For each action give the owner as a role, the due date only if the minutes state it, a short follow-up message marked DRAFT, and the staff role who signs it off. I may not send or sign anything in UNDP's name. Open https://www.undp.org/sites/g/files/zskgke326/files/migration/rw/Internship_ME.pdf and quote the line "Interns are not staff members and may not represent UNDP in any official". If you cannot open that file, say so and do not quote it from memory. Use no other source. If something in the minutes is unclear, list it as an open question.
