Claude Cheat Keys for UN Reporting & Briefing

Before a UN report goes out: 8 lines, quoted exactly.

Claude checked one JIU report page by page.

Skip this and the same passage can go out twice.

Claude Cheat Keys for UN Reporting & Briefing Tested

I asked for a QA review. It found 19 issues.

Each one is marked failed or needing an exception. Its copy stopped at [p 23], and it said so.

Paste this prompt. Ask for word for word.

The question I asked

copy and paste

```
Please run a pre-submission QA review on the UN
report attached below, checking citations
against references, abbreviation definitions and
consistency, and repeated passages. Give me a
prioritized issue list where each item is marked
as passed, failed, or needing a recorded
exception, plus a list of any claims that are
missing supporting evidence. For every quote you
use, copy the document word for word and give
its page marker.
```

The prompt asks for a page marker on every quote

Comment QACHECK. I send the link today.

The copy was cut off at [p 23].

So the review covered [p 1] to [p 23] only.
