Claude Cheat Keys for UN Reporting & Briefing Tested

No drafts came through. It listed risky figures.

The drafts were missing, so Claude said so first.

Then it gave each figure's year, quote and a safer line.

```
Please run an external wording safety review on
our draft press release and social post based on
the Secretary-General's 2026 SDG progress
report, which is attached below. Flag every
sentence that may overstate progress or results,
and put a more cautious alternative wording next
to each one. Check that every figure we cite
matches the report and refers to the right year.
Quote the document word for word with its page
marker, such as [p 5], for every quote you use.
